A Proven Track Record

SINCE ITS FOUNDING IN 1994, CMC has completed projects with almost 2,000 companies. CMC consultants earn excellent customer satisfaction ratings and a high volume of repeat business. CMC clients can document measurable improvements in productivity and profitability. Serving the six-county Chicago metropolitan area, CMC is a not-for-profit company that receives public and private sector support to offer high quality services at fees that small and mid-sized companies can afford. CMC's funding partners include the U.S. Department of Commerce, the City of Chicago, the Illinois Department of Commerce and Community Affairs, private corporations and foundations.

Quality and Process Improvement

- ISO/QS-9000: Gap Analysis; Documentation; Training & Implementation
- ISO 9000 Revisions for Year 2000
- Lean Manufacturing
- Kaizen Blitz
- Plant Layout/Streamlining
- Cellular Manufacturing
- Shop-floor Automation & Robotics

Energy Management

- Deregulation Issues
- Energy Usage & Conservation

Sewn Products Technology Center
